

## Newsletter 2019 – Issue 2

Welcome everyone to a new season of racing at Skegness Raceway, we are looking forward to seeing all of our domestic formulas at either of the two events lined up on 3<sup>rd</sup> March or 17<sup>th</sup> March both start at 1pm. It's been a long winter, but as we go to print the sun is shining & spring is around the corner.

Our driver registrations over all formulae have increased this year so we are looking forward to some new faces on the track and also some that have not raced here for some time and we also welcome on board the ORCi Ministox registered here at Skeggy for the first time. You are all very welcome.

If you have applied for your log book & if not get it in to us ASAP, so it can be processed before you race, assuming you have supplied all of the information, your brand new 2019 log book will be at the pit office the first time you attend for racing, please remember to sign the front page.

We have spent the winter replacing the tired Armco on the turnstile bend, with steel plating, this will improve the running of events with reduced fence damage in this area.

We have all of usual Championship events lined up over our formulas, so keep in touch to see where you are on the point's charts when they are updated. Dates for all of your formula events can be found on the formula specific pages.

Thanks to all of the Drivers who displayed their cars at the recent "Motorsport with Attitude Show" and also members of team Skeggy Raceway who were in attendance on both days.

We look forward to seeing you on track or around the Raceway during 2019.

Bookings are now open for both the **3<sup>rd</sup> & 7<sup>th</sup> March**, you can book in either by text (or reply to the booking texts when sent out) on **07798868947**, by email to [drivers@skegway.info](mailto:drivers@skegway.info) or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

- Parents & those that accompany Junior Rods are reminded that we operate a zero tolerance with this formula. Any incidents of intimidation, verbal & physical abuse will be reported to the BOC and may well result in your driver being banned from racing. # Reminders

## Scrutineers

For any technical issues you need advice on, you can contact any of the 3 scrutineers listed below. For technical inspections on new cars, these still need to be booked through the stadium office. Chris Lowe 07717 378908, Martin Lightbown 07506 321937, Dave Backham 07780 114045

## Internet Abuse

Please note anything put on Face book or other social media by a driver or someone associated with a driver can be subject to disciplinary action.

## Bridge Stairs

Reminder to all, please do not stand or sit on the stairs to the bridge near race control, the stairs must be clear at all times.

## Drivers Log Books

Drivers, it is important that you remember to sign your log book as soon as you receive it

## Pit area

The pit area (including the camping area) is not a test track, so its 5mph everywhere! No passengers to be carried in the cars in the pits, and also you can't ride on moving trailers, flatbeds etc when in the pits. Pit Safety is a must!

Drivers need to stop pit lane racing, in particular drivers parking their car in line but not staying within their car and instead walking off. This causes all sorts of problems, and potentially quite serious especially when it's near the ambulance area.

## Signing in

Because of the changes at the Raceway, signing in is now done in new pit office, (not at the pit gate). On arrival, park up and go to sign in **BEFORE** going to scrutineering. Your mechanic must go with you to get admission, you will need your log book with you for stamping. (Mechanics trotting along with your logbook at a later time will not gain admission). The only entrance from the pits to the stadium arena for pedestrians is via the new gateway or at the turnstiles. Only towing vehicles with race cars for the event that day are allowed into the pits. Drivers, when going to sign in, please don't drive to the Pit office, and leave you car in the walk way, please walk .And also transporters can't park in the area next to the old building on either side close to the pits office, thanks

## Alcohol

**All drivers are reminded that drinking alcohol before & during a race meeting is not allowed.**

If you are involved in an accident on track, the authorities may well breathalyse you, and there maybe consequences. Also if you have to be seen by the First Aid & go to hospital, there is a chance that you cannot receive treatment .We do have breathalysers at the stadium, and as per the rule book, any driver can be tested through the meeting.

## Fuel Caps

After an issue with a fuel cap coming astray during the course of the race, and this was with a National formula, not domestic, with this formula, the drivers mark their fuel caps with their race number, helping officials deal with the issue of a car with no fuel cap far easier. So can we suggest that drivers of our domestic formulas follow suit, and write your race number on your fuel cap, as it is as much benefit to yourselves and fellow drivers as it is to the track staff. This is not compulsory, but is advisory.

## **Booking in to Race**

Thank you to all the drivers that take the time to book in to race, as by booking in to race, it enables us to give out accurate booking lists for the public, and also enables us to plan the race formats for the meeting. It is especially important to book in for Championship meetings to enable us to finalise grids etc. We know that is not always possible, but if you do intend on racing, but unsure on whether you are able to due to work etc, then you can always book in on a provisional booking, so we know that you are intending on racing if circumstances enable you to, and then you can confirm or withdraw the booking nearer to the date of the meeting. Just as it is important to book in, it is equally important to cancel a booking if you have already booked in to race, and for whatever reason you can no longer honour that booking. It would be nice to think that we could get to 100% bookings.

Booking in has never been easier, you can either book in by text (or reply to the booking texts when sent out) on **07798868947**, by email to [drivers@skegway.info](mailto:drivers@skegway.info) or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

**Please note, any Junior Banger driver NOT registered to Skegness Raceway, MUST book in via their own promotion and must have a licence/log book to race at Skegness**
