

Newsletter 2019 – Issue 3

Well what a fantastic start to the season, and we are now preparing for a busy Easter weekend. Good Friday see's the return of the National Hot Rods alongside the F1's and National Ministox, leading up to a busy 3 meetings for some of our domestic formulas, which include 2 Championships. 1300 Saloons will be in action fighting for the English Championship title, with qualifying heats on Sunday 21st April, and then the English Championship race itself on Monday 22nd April, so 2 days of action for them, and Rookie Bangers also have their English Championship title race on Sunday 21st April. Bookings for these formulas are open now, and it is important to get booked in so we can plan the race format, it's also just as important to cancel your bookings if you find for any reason you cannot honour them.

Also over the Easter period, we also see action from Junior & Lady Bangers on the Sunday, Gt Hot Rods on the Monday, we also have Modstox making their first appearance of 2019 over 2 days on the Sunday and Monday.

Over the 3 days, we also have the first appearances of the year of our Entertainment bangers, the Double Decker bangers on the Sunday, Caravan Destruction derby on the Monday, and Mr & Mrs Bangers on the Thursday night.

So plenty of entertainment for everyone, so if you're intending on racing at any of these meetings, you can book in now, as well as bookings still being taken for the 7th April, you can book in either by text (or reply to the booking texts when sent out) on [07798868947](tel:07798868947), by email to drivers@skegway.info or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

Pit Lane

Just a polite reminder, about not lining up in the pit lane too soon please. The hard standing area of the pits is particularly congested this early in the season as we await the back field to dry up with some better weather. Everyone naturally tries to park on the dry/hard standing - which we fully understand. However it does cause extra chaos in the pit lane if more than the next race is actually in line! Therefore nobody should be more than one race too early please, and we must never block the access around the First Aid/Ambulance area at any time.

Parking Reminder

No extra vehicles allowed in the pits, no dropping off tools etc. Also the Area next to the pit lane (old shed) and the walk way to the Pit Office and the track is a NO PARKING AREA.

As a reminder to all drivers, no extra vehicles in the pits. And please park where told too and remember the pits are Max 5mph.

Staff are also reminded they need to park in the main car park not the pits, thanks

Junior Drivers Signing in

When signing in, please can the driver & parent/guardian please go to sign in together not separately.

Complaints

Any driver/parent wishing to make a complaint must use the proper channels

At a race meeting, go to the box with your driver's rep and this must also be done within 30 mins of the end of the meeting.

Out with meetings they must go via official channels info@skegway.info or 07881 021058 not via social media.

- A parent or guardian must accompany a Junior Driver when they go to scrutineering, remember to take your safety gear with you.
- Parents & those that accompany Junior Rods are reminded that we operate a zero tolerance with this formula. Any incidents of intimidation, verbal & physical abuse will be reported to the BOC and may well result in your driver being banned from racing. If there are any further incidents the parents of the children will be removed from the Stadium Arena whilst Junior Rod racing is on.

Reminders

Scrutineers

For any technical issues you need advice on, you can contact any of the 3 scrutineers listed below. For technical inspections on new cars, these still need to be booked through the stadium office. Chris Lowe 07717 378908, Martin Lightbown 07506 321937, Dave Backham 07780 114045

Internet Abuse

Please note anything put on Face book or other social media by a driver or someone associated with a driver can be subject to disciplinary action.

Bridge Stairs

Reminder to all, please do not stand or sit on the stairs to the bridge near race control, the stairs must be clear at all times.

Drivers Log Books

Drivers, it is important that you remember to sign your log book as soon as you receive it

Pit area

The pit area (including the camping area) is not a test track, so its 5mph everywhere! No passengers to be carried in the cars in the pits, and also you can't ride on moving trailers, flatbeds etc when in the pits. Pit Safety is a must!

Drivers need to stop pit lane racing, in particular drivers parking their car in line but not staying within their car and instead walking off. This causes all sorts of problems, and potentially quite serious especially when it's near the ambulance area.

Signing in

Because of the changes at the Raceway, signing in is now done in new pit office, (not at the pit gate). On arrival, park up and go to sign in **BEFORE** going to scrutineering. Your mechanic must go with you to get admission, you will need your log book with you for stamping. (Mechanics trotting along with your logbook at a later time will not gain admission). The only entrance from the pits to the stadium arena for pedestrians is via the new gateway or at the turnstiles. Only towing vehicles with race cars for the event that day are allowed into the pits. Drivers, when going to sign in, please don't drive to the Pit office, and leave you car in the walk way, please walk .And also transporters can't park in the area next to the old building on either side close to the pits office, thanks

Alcohol

All drivers are reminded that drinking alcohol before & during a race meeting is not allowed.

If you are involved in an accident on track, the authorities may well breathalyse you, and there maybe consequences. Also if you have to be seen by the First Aid & go to hospital, there is a chance that you cannot receive treatment .We do have breathalysers at the stadium, and as per the rule book, any driver can be tested through the meeting.

Fuel Caps

After an issue with a fuel cap coming astray during the course of the race, and this was with a National formula, not domestic, with this formula, the drivers mark their fuel caps with their race number, helping officials deal with the issue of a car with no fuel cap far easier. So can we suggest that drivers of our domestic formulas follow suit, and write your race number on your fuel cap, as it is as much benefit to yourselves and fellow drivers as it is to the track staff. This is not compulsory, but is advisory.

Booking in to Race

Thank you to all the drivers that take the time to book in to race, as by booking in to race, it enables us to give out accurate booking lists for the public, and also enables us to plan the race formats for the meeting. It is especially important to book in for Championship meetings to enable us to finalise grids etc. We know that is not always possible, but if you do intend on racing, but unsure on whether you are able to due to work etc, then you can always book in on a provisional booking, so we know that you are intending on racing if circumstances enable you to, and then you can confirm or withdraw the booking nearer to the date of the meeting. Just as it is important to book in, it is equally important to cancel a booking if you have already booked in to race, and for whatever reason you can no longer honour that booking. It would be nice to think that we could get to 100% bookings.

Booking in has never been easier, you can either book in by text (or reply to the booking texts when sent out) on **07798868947**, by email to drivers@skegway.info or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

Please note, any Junior Banger driver NOT registered to Skegness Raceway, MUST book in via their own promotion and must have a licence/log book to race at Skegness
